Why us:

- We are located in the schools for students attending Shelby County Schools.
- We serve ages 5-12 (entering kindergarten through completion of 5th grade).
- We offer a wide array of activities: snack, homework time, games, gym, playground and arts and crafts. Enrichment classes are also available for an additional cost at various schools.
- We have a low 15 to 1 student to counselor ratio.

For a current listing of Enrichment classes or additional information, visit our website.
