## Media and Web Release

From time to time the school and/or school district may wish to publish the image and/or intellectual property of students to various official websites operated by the district or to enhance individual, group, school, or system-wide accomplishments. Intellectual property includes, but is not limited to, photographs, audio/video productions, and other written and graphic works. These reproductions can be used to publicize/promote the child's school or the school district through the commercial print, television media, Internet, and through its own media productions.

**Please mark one answer only.**

**Yes, I grant permission for my child's image and/or intellectual property to be published in the media and on the Internet.**

**No, I do not grant permission for my child's image and/or intellectual property to be published in the media and on the Internet.**
