2018-2019 Early Bird Registration

Happy Spring from CaMS! This year we are offering a Spring Payment Option that is optional, but intended to help relieve the financial burden of school registration by pre-paying some or all of the expenses. Just select the expenses you wish to pre-pay, and attach a check made payable to Calera Middle School. We will credit your account and send a receipt home with your child. The student should turn in this form and the payment to the office by May 11, 2018.

Any 2017-2018 unpaid debts (lost/damaged textbooks, unpaid library fines, lost damaged library books, coupon books, unpaid spirit pack, etc.) will also be collected during Verification.

You can also pay online by visiting : <http://bit.ly/camsbuy>

Respectfully,

Desaree Jackson
Principal
