I have created a Google Doc for today's lesson. If you create a Google Classroom, you can add this assignment. **MAKE SURE TO MAKE A COPY!** (Click file, make a copy) Also, when you make an assignment in google classroom, make sure to click the drop down box next to the google doc and click make a copy for each student. The students will then be able to write on their own copy. I am pretty sure this is also in the Botvin folder.

The students received their novel for this nine weeks. We will be reading, The True Confessions of Charlotte Doyle. There will be weekly assigned reading. We have wrapped up personal narrative writing. Check Google Classroom for all announcements and assignments.
