

Sixth Grade Newsletter

May 19, 2017

ENGLISH

Beatty

ALL CLASSES: We are rounding out the year by reading so short stories about some mischievous children. Study guides were given out Wednesday and are due by Monday. 9 week exams for ELA and GRC will be Tuesday, May 23.

Campbell

ELA exam will be Thursday, May 23. Check Google Classroom for the study guide. I have truly enjoyed teaching your child this school year! I hope you all have a wonderful summer!!

Glausier

Remind your students to turn in all library books and settle any overdue fees. End of year exam for ELA is 5/23 (Tuesday). It has been a great year and I wish your students all the best for 7th grade.

MATH

Brown

We will begin discussing and working with Ratios, rates, and proportional reasoning.

Goodall

9-Week Exam Wednesday, Make-up day is Thursday. Study Guide should come home Friday. Have a great summer!!!

Van Der Geest:

Monday textbooks are due. We will review the study guide and prepare for the exam. The exam is scheduled for Wednesday.

SCIENCE

Gonzales, Stallings, Thomas

Science classes have finished comparing and contrasting the types of volcanoes along with their formation and how they can be both harmful and helpful. Students investigated the viscosity of magma and related it to volcano formation and type of eruptions. Students are now finishing test preparations as our nine week test is May 22nd. The Science teachers would also like to take this opportunity to thank you one last time for all of your help and support throughout the school year. It has been a pleasure to watch the kids not only learn our Science topics, but also to grow as individuals. We hope you and your families have a wonderful, fun-filled summer break.

SOCIAL STUDIES

Caiola, Cordes, McMahan:

Next Friday, May 19th is the 4th Nine Week Exam for ALL 6th graders and the day to return Social Studies textbooks issued at the beginning of the year.

Campbell:

Social Studies exam will be Friday, May 19. The study guide is on Google Classroom. We have had a great year and I have enjoyed watching your child grow and learn! Enjoy your summer!!

Physical Education

Butler and Trice

Art - Mrs. Thompson

This week students are learning about positive and negative space in Art. They will be using this new information to create and interesting design.

Band - Mrs. Rizzo

Beginning Band needs to practice all lines on pages 20-22. Work on memorizing key signatures, counting rhythms, and applying accidentals.

Family and Consumer Science – Mrs. Hunter

6th grade FACS students are learning all about kitchen safety and equipment this week.

Choir – Mr. Mandt

Library/Media Specialist – Mrs. Grainger

ALL library books are now due back. Please return as soon as possible.

Reminders:

- Three tardies to school results in an After School Detention. Six tardies to classes will result in an After School Detention as well. Please be on time to classes.
- Be certain to turn in a letter from your parents or physician any time you miss school. It must be submitted the day you return to school from an absence.
- Cell phones should be powered off and in your bookbag if you bring them to school unless they are being used for educational purposes under the supervision of your teacher.

This is our last newsletter for the year. Best of luck in seventh grade and have a wonderful summer!

Contact Dr. Scarbrough if you need assistance at any time throughout the school year.
