We will have a Parent Advisory Committee. This group will become the liaisons between the administration and parents. They will keep the parents informed of various committee

works and receive input from parents and committee decisions. They will serve as representatives on decision-making committees and as a contact person for the Title I parents to answer various questions about parent involvement and parent rights. They assist in the parental involvement plan.

Student led conferences are held as a new opportunity for students to share learning and behavior goals with parents. Translators are provided, if needed, for parents of other languages at these meetings. In this way, parents have full access to information about their child and have the opportunity to participate in their education.
- Parents are encouraged to call teachers or administrators when a question, suggestion, or concern arises. MES has an "open door policy" and staff members are committed to listen and respond to parents when they ask for a conference.

- A school-parent compact is approved for each grade level and is discussed by the classroom teacher at Parenting Night. Parents will be asked to sign the compacts on Parenting Night.

- Teachers discuss the 'student responsibility' portion with the students and they are asked to sign that section.
- The compacts are stored in each classroom for easy access during conferences.
- Teachers utilize the compacts during parent-teacher conferences as needed. Compacts may also be used during PST and/or REM meetings.
