March 2017

Dear Chelsea Resident:

This letter is to inform you that areas of the Hwy 11 corridor zoned to Chelsea Park will now be zoned to Forest Oaks. We will also be rezoning a small area of County Road 47 to Forest Oaks as well. A diagram of the affected area is included with this letter.

The Shelby County Board of Education has been reviewing enrollment numbers at Chelsea Park Elementary and Forest Oaks Elementary Schools. We have seen the growth at Chelsea Park far exceed the growth at Forest Oaks. Chelsea Park currently has three portable classrooms and is scheduled to receive additional portables this summer. Forest Oaks currently has no portable classrooms and has available classrooms.

This rezoning will be effective beginning with the 2017-18 school year. Please contact Sasha Baker, Principal, at Forest Oaks if you have any questions about the school and their registration schedule. Mr. Rick Vines, Transportation Coordinator, can provide any information on transportation and bus routes. Information can also be found on the Shelby County Schools website.

We understand the concerns that may come from rezoning and changing schools. However, we are confident that this action will provide an efficient and rewarding academic environment as well as a positive impact on your child's education.

Sincerely,

Randy Fuller  
Superintendent
