Dear Parents,

It is hard to believe we are nearing the end of the second 9-week period. If your child has been participating in the remote learning option but would like to return to traditional, in-person learning at the start of the third 9-week period, you must let the principal of your child's school know before December 11, 2020. If you do not notify the school on or before December 11, your child will be expected to continue in the remote learning platform for the entire third 9-week period.

District leaders continue to closely monitor the number of COVID-19 cases. At this time, we have no plans to close schools or change to a staggered schedule. We will continue to monitor and should there be a change, it will be well communicated to all stakeholders.

Again, if you plan for your child to return to traditional instruction starting in January, the deadline to notify the school is December 11, 2020.

Happy Thanksgiving!
