SHELBY COUNTY COMMUNITY EDUCATION

Driver Education and Health Classes – Summer 2022 Schedule

This summer the Community Education Department of Shelby County Schools will be offering Driver Education and Health classes. Health classes will be held at the Shelby County Instructional Services Center in Alabaster and Driver Education will be held at Helena High School. Classes are taught by certified high school Driver Education and Health teachers.

Driver Education: - Students must have 50 miles of driving experience before class starts.

1st– May 3l (meeting) to June 12, **2nd** June 13 (meeting) to June 26 **3rd** June 27 (meeting) to July 10

First day: 1. Meet from 9 am until 10:30 at Helena High School

2. Bring permit and electronic device to enable access to internet

3. Receive instructions for completing academic phase during the chosen session.

4. Receive instructions for setting up the remind app for communication and driving schedule

5. Driving must be completed during the chosen session. Students will drive three 2 hour blocks. Let instructors know whether morning or afternoon would be better.

6. Each student will receive a grade, semester credit, and Certificate of Completion.

7. Upon passing the driving portion, the student will receive instructions to obtain their Driver License online.

Fee: $365.00 - price includes a gas fee. To register go to
www.ezchildtrack.com/scscomed/parent

Health class: First session: May 31 to June 16 Second session: June 23 to July 12

The Health class will be at Shelby Co. Instructional Services Center in Alabaster and start at 1:30 p.m. on first day for orientation to receive packets, books and directions. Student will then do a self-directed study. If there is enough interest or need, there will be another class that will start at 2:30 p.m.

Fee: $205.00

Each class will receive a grade in addition to a semester credit for taking the course. To register go to
