

AP Language and Composition Summer Work

Instructor: Kirsten Dickerson

v. 5-16-19

Students need to read *Outliers* by Malcolm Gladwell and *The Jungle* by Upton Sinclair and annotate as they read.

It is recommended that students be mindful of the edition they have of *The Jungle* because some editions have margins that are inadequate for annotating.

Additionally, students need to read chapter 1 in *The Language of Composition*.

Please contact Kirsten Dickerson via email at kdickerson@shelbyed.org for a copy of chapter one.
